Petitioner respectfully calls to the Court's attention that the present petition is based on newly discovered evidence of February, 1984.

All respondents are fully aware that the petitioner had 10,000 trading cards and the transaction from the 10,000 trading cards would show a bare minimum of \$3 million, which money was embezzled by the respondents. Respondents have fraudulently concealed the aforesaid mentioned 10,000 trading cards. The Commodity Futures Trading Commission has failed to answer the present petition.

Respectfully submitted

Bernhard Rosee
